REFERENCE: Memo dtd 28 Oct 57 to Mrs. [REDACTED] thru D/Log fr DD/S, 25X1A9a  
subj.: "Administrative Reprimand."

1. On Monday, 28 October 1957, I interviewed Mrs. [REDACTED] at which time I advised her that in accordance with our discussion of 2 October 1957 I had requested the Inspector General to make an investigation. I then informed her of the conclusions which the Inspector General had reached and said that pursuant to his conclusions and recommendations I was going to deliver an administrative reprimand to her, through the Director of Logistics, for her conduct on 20 September 1957, and, further, that I would instruct the Director of Logistics to reassign her to a position other than in the [REDACTED]

2. Mrs. [REDACTED] reviewed the whole situation for almost an hour. The substance of her statements is that she would like to forget the 20 September incident which she regards as unimportant and that she believes she has been treated unfairly inasmuch as in her opinion [REDACTED] has accomplished all of his objectives, i.e., has caused her to be disciplined and has succeeded in having her removed from the [REDACTED]. She feels that her removal from the [REDACTED] is very unfair and does not know of any other position in which she would like to work.

3. I told Mrs. [REDACTED] that I was sorry to have to do this but that I had proceeded in this matter on a completely impartial basis and that I was clear in my own mind that the action which I was taking was just and proper.
